

Prayer to the Lamas of the Longchen Nyingthig

E-MA-HO!

In the Pure Land free from partiality and limitations,
The primordial Dharmakaya Buddha Samantabhadra;
The Sambhogakaya Vajrasattva arisen like the moon in water;
Prahevajra fully endowed as the Nirmanakaya;
I pray to you to bestow the blessings and empowerments upon us.

Treasure of the ultimate doctrine, Shrisingha;
Universal king of the Nine Vehicles, Manjushrimitra;
Jnanasutra and the great scholar Vimalamitra;
I pray to you: show us the way to liberation.

The sole ornament of the Jambu continent, Padmasambhava;
The true, excellent heart-sons, the Lord, the subjects and the consort Yeshe Tsogyal;
Revealer of the signs of an ocean of Mind-Treasures, Longchen Rabjam;
Entrusted with the treasures from the sphere of the Dakinis, Jigme Lingpa;
I pray to you: bestow on us accomplishment and liberation!

Scholar and Siddha, Kunzang Zhanphalpal,
Lotus-holder Gyalwai Nyugu,
The fearless Dharma King, Patrul Jigme Chokyi Wangpo;
The holder of wisdom and accomplishment, Onbo Tenzin Norbu;
To you I pray: show us the nature of mind.
Holder of the clear light of the Dzogchen teachings, Pema Tekchok Loden;
To the Root Lama of unequalled preciousness, Tsara Dharmakirti;
To you I pray; enable us to spontaneously achieve the two benefits.
