

Offering to Padmasambhava

To the great Indian Pandita,
who bestowed great kindness on Tibet,
The Lotus Born One whose body is immortal
And who now subdues the demons in the Northwest,
To Orgyen Rinpoche, I make this offering.

Offering to Milarepa

To the one who is like the sun rising over the mountains
Which dispels the darkness to the north,
And whose name inspired "joy upon hearing,"
Who is of the highest attainment, I make this offering.

Offering to the Root Lama

I offer this to the Lama;
The one in whom all the glorious Buddhas reside,
The essence of all Vidyadharas,
And the root of the Three Jewels.

Offering to the Three Jewels

I offer this to the unsurpassable Three Jewels:
The unsurpassable teacher, the precious Buddha
The unsurpassable protector, the sacred Dharma
And the unsurpassable guide, the precious Sangha.
